11. Plastic cups
12. Styrofoam
13. Paper towels
14. Measuring cups
15. Chalk
16. Scale
17. Magnifying glass
18. Glass jars
19. Spirits
20. Glue
21. Sequins
22. Thermometer
23. Paper clips
24. Knives
25. Beans
26. Pipe cleaners
27. Sieve
28. Vinegar
29. Craft sticks
30. Dishwashing liquid
31. Stirrers
32. Plaster of Paris
33. Cellophane
34. Tape measure
35. Modeling Clay
36. Tape (all kinds!)
37. Newspapers
38. Bamboo sticks
39. Pens/pencils
40. Bowls
41. Boxes
42. Needles
43. Chairs
44. Pitchers
45. Gloves
46. Toothpicks
47. Rubber bands
48. Mirrors
49. Plastic containers
50. Calculator
51. Hole punch
52. Coins
53. Tissue paper
54. Paper fasteners
55. Paint
56. Basins
57. Leaves
58. Soil/dirt
59. Salt
60. Tweezers
61. Tongs
62. Cornstarch
63. Sponges
64. Ice cubes
65. Candles/matches
66. Spray bottle
67. Eggs
68. Eye dropper
69. Wire
70. Soda Bottles
71. Fruit/Veggies
72. Scissors
73. Clipboard
74. Balls
75. Buckets
76. Magnets
77. Antacids
78. Bicycle Pump
79. Clothespins
80. Clear bags
81. Aluminum foil
82. Stopwatch/timer
83. Milk
84. Heat lamp
85. Pins
86. Cooking oil
87. Protractor/ruler
88. Glitter
89. Baking tray
90. Flour
91. Chopping board
92. Water
93. Sugar
94. Stapler
95. Food coloring
96. Baking soda/borax
97. Coffee filters
98. Crayons
99. Paper bags
100. Compass
101. Measuring Spoons
102. Paper plates
